

BlackBerry 8300

Overview

Featuring a liquid silver finish, clean lines and soft edges, the BlackBerry® Curve™ 8300 smartphone is the smallest and lightest BlackBerry® smartphone ever to come with a full QWERTY keyboard.

It's packed with incredible features*, including a camera, BlackBerry® Maps, a media player, expandable memory, Voice-Activated Dialing, tethered modem and trackball navigation. Plus you get all the core functionality you've come to expect in a BlackBerry smartphone — email and text messaging, instant messaging, web browser and advanced phone functionality.

The BlackBerry Curve — it's your connection to everything that matters.
